🎂 **Born on:** 12/11/2000
🏠 **Adresse:** 55 avenue Fond'Roy 1180 Uccle
Brussels – Belgium

As a video editor, I have developed a strong affinity for cinema and visual storytelling.

Through my experience editing documentaries for television, I have honed both technical precision and a keen sense of pacing and narrative structure.

I am seeking opportunities within creative environments where editing serves as a powerful tool for storytelling and emotional impact.
